

Contest Intent Form

School: _____ Date: _____

Advisor Signature: _____

Please indicate which of the following events your Chapter intends to take part in during the year by placing an x in the box provided. If you are not sure about a particular event, please mark it anyway. It is easier to subtract numbers rather than add them. The number next to a competition indicates the number of students necessary for one entry. Any competition without a number requires exactly one student. Thank you!
